

PELLET HEATER SABRINA

If style and budget for your heating system is a priority, then the superior range of Piazzetta Heaters is the answer. The Sabrina's robust design and large pellet hopper offers efficient and worry free heating options for any room. Both efficient and quiet, the Sabina is the perfect addition to any home.

The easy to use and fully programmable functions ensure you have total control of your home heating. You only have refill it with pellets every day or so and it will let you know when pellets are low. Available in a range of great colours, that will suit any décor. Pellet heating is up to 70% more efficient than traditional wood stoves and have significantly lower emissions levels. It's comfort with a conscience.
